CLUB TV SYSTEMS

THE INDUSTRY'S LEADING FITNESS ENTERTAINMENT COMPANY

MYE CLUB TV RECEIVERS

Exclusive Headphone Jack Replacement Alert!

- Flashing icon alerts maintenance to replace worn or damaged headphone jack
- No need to wait for customer complaints or manually listen to every unit to find faulty jacks

Proven reliability, superior performance and universal TV transmitter compatibility have made MYE Club TV Receiver technology the fitness industry standard. Choose the best-selling attachable MYE Eclipse Receiver or MYE Receivers integrated in the world's leading cardio equipment, and have confidence knowing these are the most trusted wireless cardio entertainment systems available on the market today.

INTRODUCING THE MYE ECLIPSE CLUB TV AUDIO RECEIVER

The best-selling MYE Eclipse Receiver attaches to your cardio equipment and provides audio from any ceiling or wall mounted TV. Users simply select the desired TV and enjoy the audio from their favorite programs.

- Works with MYE / Cardio Theater® / BroadcastVision / Audeon® (UK) Transmitters
- TV Audio & FM Radio Combined - customers enjoy TV audio and local FM Radio
- Quick Change Headphone Jack - replace without removing
- Available in 900MHz & 800MHz wireless bands for worldwide compatibility
- 2 Year Warranty

CARDIO INTEGRATED MYE TV AUDIO RECEIVER OPTIONS

The advantage is yours when leading fitness equipment manufacturers like these offer cardio integrated MYE TV audio receivers on select cardio machine models. Integrated receivers feature universal TV transmitter compatibility, headphone jack, TV select and volume control buttons directly on the machine console.
